Our Latest Endeavor: “Putting Your Name On Our Future.”

The Bloomfield High School Construction Project is transforming the school, and you can be part of it! As we write to you today, students are using the new science wing, enjoying the renovated interiors, and will soon be using the new gymnasiums and auditoriums.

The high school construction project has given you, as a member of the Bloomfield High Alumni Association, or the Bloomfield Community, the opportunity to put your name on our future. Your contribution will be recognized on a commemorative plaque, to be prominently displayed in the new high school lobby.

We hope you will make a donation to honor a family member, recognize an anniversary or memorialize a loved one with your gift. For those of you who work for companies with matching grant programs, be sure to let us know so we can help double your donation.

Bloomfield High School was an important part of our past—let’s all be a part of its future!

If you are interested in donating to the campaign, kindly contact the Bloomfield Educational Foundation Executive Director, Ann Dassing at 973-403-0032 or anndassing@comcast.net
