

BHS Class of '65 Scholarship Opportunity!

Give now and
DOUBLE
Your Impact!

Since its inception in 2016, the mission of the Bloomfield High School Class of 1965 Scholarship Fund has been to support the educational goals of the BHS students.

This year, your donation to the BHS Class of 1965 Scholarship Fund will be **matched up to \$25,000 by a very generous member of the Class of '65, Glenn Gerber, and Glenn's wife, Linda Koval Gerber '66!**

We realize education is the great equalizer, and that given fair opportunity and access to postsecondary education including college, vocational, and trade schools, the future will be brighter for BHS alumni. To date, almost \$8,000 has been given to 13 deserving high school seniors to help defer their college costs.

Seniors like Allison G., who planned to major in Elementary Education with the hopes of becoming an elementary teacher. The financial assistance the Class of '65 Scholarship provided was of great help to her in paying her educational expenses.
