

## April showers bring lots of exciting news!

### A Record \$56,000 in Scholarships to BHS Graduates from Bloomfield Educational Foundation (BEF)

This year the Bloomfield Educational Foundation awarded a record 25 scholarships, totaling \$56,000, to Bloomfield High School students pursuing a college education.

These scholarships were made available based on criteria such as academic/athletic awards, or interest in a particular field or future profession, such as science, criminal justice, among others. A portion of the awards will be especially helpful for those students who have chosen a state college in New Jersey, such as Rutgers.

“We are very pleased to see so many seniors applying for these funds and to know that we are helping them with the next chapter of their lives,” stated Terence Mullane, BEF Chairman. “We remain grateful for our donors’ confidence in our organization to make these important and generous awards available to our high school seniors.” ([Read more.](#))

### Brookdale ShopRite Donating Bottled Water to Bloomfield District Schools

Brookdale ShopRite in April donated 6000 bottles of water for everyone who is returning to school, after over a year of remote learning.

“We wanted to do something to welcome the students back and since the water fountains in the schools will be off, we felt this would be a great service on the first day of school,” stated Neil Greenstein of Brookdale ShopRite.

“Brookdale ShopRite has been a long time supporter of The Bloomfield Educational Foundation in the form of race and walk-a-thon sponsorships, support for the annual Galas and scholarships for college-bound high school seniors. This gift is very generous and typical of the way in which they support their community,” stated Terry Mullane, BEF Chairman.
