

THE BENGAL BLUEPRINT

CUSTOM BUILT STRATEGIES FOR THE COLLEGE BOUND STUDENT

You've put in the hard work throughout high school—now it's time to ensure your efforts translate into the best possible college fit. **The Bengal Blueprint** supports high-achieving seniors by providing the personalized structure and expert insight needed to navigate the final mile of the admissions journey with clarity and purpose.

1:1 FOCUSED SUPPORT

Individualized coaching sessions provide a collaborative space to manage your unique application timeline, goals, and specific tasks with precision.

COLLEGE RESEARCH

Go beyond the rankings. We help you find the right fit by analyzing campus culture and identifying the strategic difference between "reach" and "safe" schools.

THE STANDOUT ESSAY

From brainstorming to final polish, learn to write a personal statement that captures your authentic narrative and makes you stand out to admissions officers.

RESUME & INTERVIEW PREP

Translate your extracurriculars into a professional resume and build the confidence to excel in admission interviews through 1:1 coaching.
